

Lighthearted, humorous goodbye letter

Subject: Don't Forget Us!

Dear [Friend's Name],

So, you're leaving us, huh? Who's going to laugh at my terrible jokes now? I guess I'll have to find a new victim.

All jokes aside, I'm going to miss you like crazy. Good luck, have fun, and don't forget us little people when you're famous!

Yours mischievously,

[Your Name]
