

Humorous farewell message

Subject: Time to Say Goodbye (But Not Too Seriously)

Hey Team,

It's time for me to move on from [Company Name], but I couldn't leave without a few laughs. Thanks for making even the toughest days manageable and turning office coffee breaks into comedy shows. Remember, I am only an email or meme away. Keep in touch, and don't forget about me when you see free donuts in the break room!

Best,

[Your Name]
