Subject: Father of the Bride Speech – Humorous Version

Hello everyone,

As the father of the bride, I have a few words to share before [Groom Name] fully realizes what he has signed up for. [Bride Name] has always been the boss at home, so [Groom Name], welcome to the team.

In all seriousness, seeing my daughter so happy and in love warms my heart. May your marriage be filled with laughter, patience, and occasional negotiation skills.

Cheers to the newlyweds!
