

Humorous father of the groom speech

Ladies and gentlemen,

I stand before you today as the proud father of the groom, and let me tell you it's not easy raising a son like [Groom's Name]. He tested my patience with every prank, every broken window, and every time he "borrowed" the car without asking. But somehow, he turned out just fine, and today he's a husband!

When I first met [Bride's Name], I thought, "Finally, someone who can handle him better than I ever could." She is kind, patient, and most importantly she laughs at his jokes.

That's when I knew she was the one.

So here's to [Bride's Name] and [Groom's Name]. May your life together be full of love, laughter, and maybe just a little bit of mischief to keep things interesting.

Cheers!
