

Emotional and touching father of the groom speech

Ladies and gentlemen,

I promised myself I wouldn't cry today, but seeing my son as a groom has overwhelmed me.

Watching him grow from a little boy into the man he is today has been the greatest privilege of my life.

[Groom's Name], you've made me proud in more ways than I can count. And [Bride's Name], thank you for bringing so much love and light into his life. You are truly the daughter we never had until now.

As you start this new chapter together, know that your family stands beside you, supporting and cheering you on. May your days be filled with joy, and your hearts with endless love.

To the bride and groom!
