

Funny Feedback Email to a Company

Subject: You Made My Day! But Here's a Little Tip

Hello [Company Team],

First of all, hats off! you guys made my day when my order arrived earlier than expected.

Honestly, I think your delivery driver deserves a cape for superhero speed.

That being said, the packaging was so over-the-top that I think I could build a small fort out of it.

Maybe consider using less packaging to save the planet (and my recycling bin).

All jokes aside, I really enjoy your service and will be ordering again soon. Thanks for keeping things awesome!

Cheers,

[Your Name]
