

Constructive Feedback Email

Subject: Feedback on Project Workflow

Dear [Manager's Name],

I hope this email finds you well. I would like to provide some constructive feedback regarding our recent project workflow.

While the team has shown great commitment, I believe certain processes could be improved to enhance efficiency. For instance, clearer task assignments and more frequent check-ins may reduce misunderstandings.

I share this feedback with the intention of improving our overall productivity and ensuring smoother project execution.

Thank you for considering my suggestions.

Best regards,

[Your Name]
