

International Fellowship Formal Acceptance

Dear [Fellowship Committee],

I am honored to accept the [Fellowship Name] at [Institution] in [Country] for the period [Start Date] to [End Date]. This international opportunity represents a significant milestone in my academic/professional career.

I formally accept all terms of the fellowship, including the research/work commitment, financial arrangements, and housing provisions. I understand the cultural and academic expectations and am prepared to adapt and contribute effectively to your international environment.

I am currently initiating the visa application process and will provide regular updates on my immigration status. I have confirmed my passport validity through [Date] and begun gathering required documentation for the [Visa Type] application.

I am particularly excited about the opportunity to collaborate with international colleagues and contribute to cross-cultural knowledge exchange. Please advise on any pre-arrival requirements, including health insurance, orientation programs, or cultural preparation resources.

I appreciate your patience with the visa process and remain fully committed to this fellowship despite any administrative delays. I will maintain close communication regarding my arrival timeline.

With sincere appreciation for this global opportunity,

[Your Name]
