

Creative Finance Internship Cover Letter

Subject: Ready to Crunch Numbers and Learn!

Dear [Hiring Manager's Name],

Numbers tell stories, and I am passionate about interpreting them. I am applying for the Finance Internship at [Company Name] to turn my academic knowledge into actionable insights.

My coursework in investment strategies, financial analysis, and corporate finance, paired with hands-on projects, has equipped me to contribute creatively and analytically. I am excited to bring energy, curiosity, and problem-solving skills to your team.

Looking forward to discussing how I can contribute,

[Your Name]
