

Financial Aid Appeal Letter

Dear Financial Aid Committee,

I am writing to appeal my financial aid award for the upcoming academic year. While I am grateful for the aid that has been awarded to me, I believe that my current financial situation warrants a review of my award.

Over the past year, my family has experienced significant financial difficulties due to unexpected medical bills and a job loss. As a result, our income has been drastically reduced, and we are struggling to make ends meet. Unfortunately, this has made it difficult for me to afford the cost of attendance at my university.

I am determined to continue my education and complete my degree, but I cannot do so without additional financial assistance. I have explored all other options, including taking out additional student loans and finding part-time work, but these options do not provide enough relief.

I am hoping that the financial aid committee will consider my appeal and award me additional aid. I have attached documentation of our current financial situation, including medical bills and unemployment benefits. I am also willing to provide any additional information that may be necessary to review my appeal.

Thank you for your time and consideration.

Sincerely,

[Your Name]
