

Business partnership follow-up message

Subject: Partnership opportunity discussion from [Event Name]

Dear [Name],

I hope this email finds you well. Following our engaging discussion at [Event Name] about potential synergies between [your company] and [their company], I wanted to formalize my interest in exploring a strategic partnership.

Your company's expertise in [their specialty] combined with our strength in [your specialty] presents a compelling opportunity to [specific benefit/outcome]. As we discussed, the market demand for [relevant service/product] is growing rapidly, and I believe our collaboration could position both organizations at the forefront of this trend.

I would like to propose a formal meeting to discuss this opportunity in greater detail. I can prepare a comprehensive proposal outlining potential collaboration models, revenue sharing structures, and project timelines for your review.

Would you be available for a meeting within the next two weeks? I'm happy to travel to your location or arrange a video conference at your convenience.

I look forward to taking this conversation to the next level.

Best regards,
