

Follow Up After No Response

Subject: Checking In After Our Call

Hi [Client's Name],

I hope this message finds you well. I wanted to follow up on our recent sales call and see if you had any questions about the proposal I shared. I completely understand that things can get busy, so I just wanted to check in at your convenience.

If now isn't the right time, no worries—please let me know when would be better for you, and I'd be happy to reconnect then.

Thank you again for considering us.

Best,

[Your Name]
