

Professional academic conference invitation

Subject: Invitation to Present at International Research Symposium

Dear Dr. [Name],

The Academic Committee of [Institution Name] is delighted to invite you to participate as a keynote speaker at our International Research Symposium on [Topic], taking place from [Date] to [Date].

Your groundbreaking research in [specific field] and recent publication on [topic] have significantly advanced our understanding of [subject matter]. We believe your insights would provide immense value to our diverse audience of researchers, graduate students, and industry professionals.

Conference Highlights:

- Keynote presentations by leading experts
- Interactive workshop sessions
- Networking opportunities with international researchers
- Publication opportunities in our peer-reviewed journal

We would be honored to cover your travel expenses, accommodation, and provide an honorarium of [amount] for your participation. The conference will be held at [venue] with approximately [number] attendees expected.

Please let us know your availability by [date]. We can arrange your presentation schedule to accommodate your preferences.

Looking forward to your positive response and valuable contribution to advancing knowledge in our field.

Best regards,

[Name]

Conference Chair
