Subject: Really Interested in Your Franchise!

Hi [First Name/Team],

I hope this message finds you well! I wanted to reach out because I've been a huge fan of [Brand Name] for years, and I'm seriously considering joining your franchise family.

A bit about me: I've been in the [industry] space for about [number] years and have always dreamed of running my own [type of business]. Every time I visit one of your locations, I'm impressed by [specific observation: the energy, the quality, the customer loyalty], and I keep thinking, "I could totally rock this!"

I'm based in [location], and honestly, I'm surprised there isn't a [Brand Name] here yet. The market seems perfect—lots of [target demographic], a growing economy, and people who would absolutely love what you offer.

I'm at the stage where I'm exploring my options and would love to learn more about what it takes to become a franchisee. What kind of investment are we talking about? What's the support system like? How long does the whole process take?

I know you probably get tons of inquiries, but I wanted to throw my hat in the ring and start a conversation. If you have some info you could send my way or if there's a good time for a quick chat, I'm all ears.

Thanks for taking the time to read this! Looking forward to potentially working together.

Cheers,

[Your Name]
