

Heartfelt Friendship Break Up Letter

Subject: Difficult Goodbye

Dear [Friend's Name],

This is one of the hardest letters I've ever written. Our friendship has meant so much to me, and I will always cherish the moments we've shared. However, I feel that our connection has changed in ways that can no longer support a healthy friendship for either of us.

Please know this decision comes from a place of love and respect, and I truly wish you happiness and peace moving forward.

Warm regards,

[Your Name]
