

Funny holiday letter to Santa

Subject: Please Donâ€™t Skip My House, Santa

Dear Santa,

I promise I tried to be good this year. Really! Except for that one incident with the cookie jar and the neighborâ€™s catâ€”it wasnâ€™t my fault, I swear.

Iâ€™ve been eating my vegetables (sometimes), doing my homework (occasionally), and only arguing with my siblings a few times (okay, maybe more than a few).

If you could overlook the minor mishaps, I would be eternally grateful for a small miracle under the tree. A toy, some candy, or a tiny unicorn would do nicely.

Thanks a lot, Santa. And donâ€™t worry, Iâ€™ve left extra cookiesâ€ and milkâ€ and maybe some carrots for the reindeer.

Yours mischievously,

[Your Name]
