

Humorous letter for New Year wishes

Subject: New Year, Same Chaos

Dear [Recipient Name],

Happy New Year! May your resolutions last longer than my leftover holiday cookies.

Hereâ€™s to pretending weâ€™ll hit the gym more often, eat slightly healthier, and finally stop hitting snooze ten times every morning.

Letâ€™s embrace the new year with laughter, coffee, and questionable decision-making skills.

Cheers,

[Your Name]
