

## Humorous thank you letter after holiday gift exchange

Subject: Thanks for the Gift! Sort Of

Dear [Gift Giver],

Thank you for the gift! I can't wait to find the perfect place for it in my house! somewhere it will blend in perfectly with the rest of my slightly chaotic decor.

Your thoughtfulness is appreciated, even if I still have no idea what it actually does.

Wishing you a holiday season as wonderful and quirky as your gift-giving skills!

Thanks again,

[Your Name]
