

Resignation letter with humorous sarcasm

Subject: Resignation â€œ Mission Accomplished

Hi [Manager Name],

After years of heroically answering emails, attending meetings that could have been emails, and keeping the coffee machine in check, I am proud to announce my resignation.

I leave knowing the office will continue to thrive in my absence, and that someone else will inherit my legendary knack for finding the stapler in seconds.

My last day is [Date]. Good luckâ€”youâ€™™ll need it.

Cheers,

[Your Name]
