

Group supportive message for a cancer patient

Dear [Name],

We wanted to come together to send you this message to remind you how much you mean to all of us. Your friendship has been such a blessing, and now it's our turn to be here for you.

Know that you are surrounded by people who love you, who believe in your strength, and who will do everything we can to support you. Whether you need company, errands done, or just some laughter, we are all just a call away.

Stay strong—we are walking this journey with you.

With love,

Your friends
