

Humorous Message to Lift Spirits

Hey Sickie!

Well, this is just great. Here I was planning to drag you out for adventures, and you decide to get all sick and dramatic on me. Very inconsiderate! ðŸ˜ˆ,

I hope you're at least milking this for all it's worth â€” demanding soup delivery, binge-watching terrible reality TV, and making everyone wait on you hand and foot. If you're not doing this, you're being sick all wrong!

On a serious note (gross, I know), I really do hope you're feeling better soon. The world is definitely less fun without your particular brand of chaos in it.

I'm not allowed to visit because apparently I "don't have the best bedside manner" (their words, not mine), but I'm sending you all my good vibes and a promise to mock you appropriately once you're better.

Get well soon, you big baby!

Your favorite pain-in-the-butt friend,

[Your Name]

P.S. If you're not better by next week, I'm bringing over my accordion. You've been warned.
