

Funny gift voucher email for a colleague

Subject: Bribing You With a Voucher!

Hey [Colleague's Name],

Guess what? You've officially earned yourself a gift voucher worth [amount]. Don't worry, it's not a bribe—well, maybe just a little one to make sure you keep being awesome!

You can redeem it at [store/brand], and it's valid until [expiry date]. So, grab something fun (and maybe share a little snack with me if you feel generous).

Enjoy!
