

Creative Goodwill Letter for Credit Repair

Subject: Request for Goodwill Adjustment to Help Restore My Credit

Dear [Creditor Name],

I hope you are having a wonderful day. I am writing about my account [Account Number]. Due to [reason], a late payment was recorded on [Date]. This was a one-time oversight and not reflective of my usual responsible financial behavior.

I would be extremely grateful if you could remove this record from my credit report as a gesture of goodwill. Your assistance will help me maintain a positive credit standing and continue a long-standing relationship with [Creditor Company].

Thank you for considering my request.

Sincerely,

[Your Name]
