Goodwill Letter To Remove Late Payment

entry from my credit report. The negative impact of this late payment has been distressing, as it has

affected my creditworthiness and financial opportunities. I truly value my relationship with [Creditor's

Name] and would be extremely grateful for your assistance in rectifying this situation.

I understand that your company has policies in place, and I respect the need to maintain consistent

reporting practices. However, I am kindly asking for an exception in my case due to my

demonstrated history of responsible financial behavior and the extenuating circumstances that led to

the late payment.

If you find it within your discretion to grant my request, I am committed to ensuring that my payments

are consistently on time moving forward. Your assistance would not only help improve my credit

report but also solidify my faith in the exceptional customer service that [Creditor's Name] has

always provided.

Enclosed with this letter, you will find supporting documentation [if applicable, such as proof of the

extenuating circumstances or any relevant documentation]. I am more than willing to provide any

additional information or documentation that may be required to facilitate this request.

Thank you for taking the time to consider my request. I genuinely value my relationship with

[Creditor's Name], and I look forward to many more years of positive collaboration. Your

understanding and generosity would greatly impact my financial well-being, and I am hopeful for a

favorable response.

information or if there is anything else I can do to facilitate this process. I appreciate your time and

attention to this matter.

Thank you once again for your understanding and consideration.

Sincerely,
