

Professional routine specialist referral template

Subject: Referral Request for [Patient Name] - [Condition/Concern]

Dear Dr. [Specialist Name],

I am writing to refer my patient, [Patient Name] (DOB: [Date], NHS Number: [Number]), for your expert evaluation and management of [specific condition/concern].

[Patient Name] has been under my care since [date] and presents with [detailed symptoms/history]. Despite [treatments tried], the condition requires specialist intervention. Current medications include [list]. Relevant investigations show [results].

The patient understands the referral process and is keen to proceed with specialist care. Please find attached recent test results and imaging studies.

I would be grateful for your assessment and recommendations for ongoing management.

Yours sincerely,

Dr. [Your Name]
