

Caring pediatric specialist referral template

Subject: Pediatric Referral - [Child's Name]

Dear Dr. [Pediatric Specialist],

I would like to refer [Child's Name] (DOB: [Date]), accompanied by [parent/guardian name], for your pediatric expertise.

[Child's Name] is a delightful [age]-year-old who has been experiencing [symptoms/concerns]. Parents report [parental observations] and are understandably concerned about their child's wellbeing.

Development has been [normal/concerning areas], with particular issues around [specific areas]. School/nursery reports [relevant information]. The family is very supportive and eager to help their child.

Both child and parents understand this referral and are looking forward to your guidance.

With warm regards,

Dr. [Your Name]
