

Professional second opinion request template

Subject: Request for Second Opinion - [Patient Name]

Dear Esteemed Colleague,

I would value your expert second opinion regarding my patient [Patient Name] (DOB: [Date]).

This complex case involves [detailed clinical scenario]. Despite thorough evaluation and [treatments attempted], I feel additional specialist insight would benefit patient care.

[Patient Name] is aware of this referral and welcomes another expert perspective. They are particularly concerned about [patient's main worries] and would appreciate your assessment.

Attached are comprehensive notes and investigation results for your review.

Thank you for your valuable time and expertise.

Respectfully,

Dr. [Your Name]
