

Professional occupational health referral template

Subject: Occupational Health Referral - [Patient Name]

Dear Occupational Health Team,

I am referring [Patient Name] for occupational health assessment regarding their fitness for work.

[Patient Name] works as [job role] and has been experiencing [work-related health issues].

Current medical condition [diagnosis] may impact their ability to perform [specific work duties].

The patient is eager to return to work safely and requires guidance on [adjustments/restrictions/return-to-work planning]. They understand the importance of balancing health needs with work responsibilities.

Please advise on appropriate workplace modifications and timescales for return to full duties.

Professional regards,

Dr. [Your Name]
