

Conditional Research Grant Acceptance

Subject: Acceptance of Research Grant with Proposed Modifications

Dear [Research Committee/Program Officer],

We are delighted to accept the research grant award for "[Project Title]" in the amount of [Grant Amount]. This funding will enable groundbreaking research in [Field of Study].

While we accept the grant terms, we would like to propose minor modifications to the timeline due to [Specific Reason]. We request extending the project completion date from [Original Date] to [Proposed Date] to ensure the highest quality research outcomes.

We commit to all deliverables including quarterly progress reports, peer-reviewed publications, and the final research report. Our research team is prepared to begin immediately upon final agreement approval.

We look forward to collaborating with your organization on this important research initiative and contributing valuable knowledge to the field.

Respectfully,

[Principal Investigator Name]

[Institution]
