

Lighthearted Groom Speech

Hello everyone,

I promise to keep this short because I know [Partner's Name] already wants me to! Marriage is a journey, and I have learned that in this journey, I will always be right! well, sometimes.

Thank you to everyone who helped make today possible, especially my parents, for all the lessons in patience—clearly, I needed them. And to my new in-laws, I promise to cherish and love your daughter, even if she keeps me on my toes.

Here's to laughter, love, and not arguing over the thermostat too much.

Cheers!
