

Lighthearted and funny birthday message

Subject: Happy Birthday, Mom – You Don't Look a Day Over 30!

Hi Mom,

Happy Birthday! Don't worry, I won't tell anyone your real age – I'll just say you've turned 29 again. Honestly, you don't just look young, you still act younger than me sometimes, and that makes me laugh and love you even more.

Thanks for being both my mom and my comedian. Here's to another year of your fabulous jokes, your secret recipes, and your ability to beat me at everything!

Lots of love (and a little cake saved for you),

[Your Name]
