

Urgent email appeal for insurance decision

Subject: Urgent Appeal for Immediate Coverage Review

Dear [Insurance Company] Appeals Team,

I am requesting an urgent review of the denial of my claim, reference number [Claim Number].

The treatment recommended by my physician is time-sensitive and critical for my health.

Please find attached the supporting documentation, including the physician's urgent medical necessity letter. I kindly request an expedited reconsideration, as any delay in treatment could worsen my condition.

I would appreciate confirmation of receipt of this appeal and a prompt update on the status.

Best regards,

[Your Name]
