

Formal Medical Cover Letter for Doctor Position

Subject: Application for the Position of General Physician

Dear [Hiring Manager's Name],

I am writing to apply for the General Physician position at [Hospital Name]. As a licensed medical practitioner with over ten years of experience, I bring expertise in diagnosis, treatment planning, and patient relationship management.

Throughout my career, I have prioritized patient welfare, clear communication, and ethical medical practice. My clinical exposure includes both private practice and hospital settings, allowing me to adapt to diverse patient needs.

I am eager to bring my dedication and medical knowledge to your team and contribute to your hospital's continued excellence in patient care. I have enclosed my resume for your review.

Sincerely,

[Your Name]
