

Preliminary Cover Letter for Medical Research Assistant Role

Subject: Application for Research Assistant Position

Dear [Hiring Committee],

I am writing to express my interest in the Medical Research Assistant role at [Institution Name]. I recently graduated with a degree in Biomedical Sciences and am eager to contribute to your ongoing studies in infectious disease research.

I possess strong analytical skills, experience with data collection, and proficiency in laboratory procedures. I am also highly motivated to expand my research capabilities under your guidance.

Please find my resume attached. I would appreciate the opportunity for an interview to discuss how I can assist in your team's objectives.

Sincerely,

[Your Name]
