

Official Letter for Medical Residency Application

Subject: Application for Residency in Internal Medicine

Dear Residency Director,

I am writing to formally apply for the Internal Medicine Residency Program at [Hospital/University Name]. As a recent medical graduate with clinical training in multiple specialties, I am eager to further my professional growth under your esteemed supervision.

My rotations in internal medicine and cardiology have solidified my interest in patient-centered care.

I bring commitment, diligence, and a strong academic background that aligns with your program's values.

I look forward to the opportunity to interview and demonstrate my dedication to clinical excellence.

Respectfully,

[Your Name]
