Heartfelt Home Insurance Cancellation Letter Due to Property Sale

Subject: Request for Policy Cancellation Following Sale of Property

Dear Sir/Madam,

I am writing to request the cancellation of my home insurance policy [policy number] for the property located at [property address]. The property has recently been sold, and therefore, I no longer require insurance coverage for it.

I have appreciated the service your company has provided over the years and thank you for your professionalism. Please let me know about any refunds owed or final paperwork required.

Sincerely,

[Your Name]
