

Emergency Referral Letter

Subject: Urgent Referral for Emergency Care

Dear Dr. [Recipient's Name],

I am sending this letter to urgently refer [Patient Name], a [Patient Age]-year-old patient experiencing [symptoms, e.g., chest pain, severe shortness of breath]. Immediate evaluation and intervention are necessary.

Please find attached vital signs, preliminary investigations, and any ongoing treatments. Your urgent attention to stabilize and manage the patient is highly appreciated.

Thank you for your prompt action.

Best regards,

[Your Name]

[Your Position]
