

Follow-up Referral Letter

Subject: Follow-up Referral for Continued Care

Dear Dr. [Recipient's Name],

I am referring [Patient Name] for follow-up evaluation regarding [condition]. The patient previously received care at your facility, and ongoing management requires your continued oversight.

Attached are recent progress notes, laboratory results, and medication updates. Please provide further recommendations for care continuation.

Thank you for your support.

Sincerely,

[Your Name]

[Your Position]
