

Accommodation Request for Dietary Needs

Subject: Accommodation Inquiry - Special Dietary Requirements

Dear Guest Services,

I hope you're having a wonderful day! I'm excited to potentially stay at your hotel from [dates] and wanted to reach out about some special dietary needs that are important to me.

I follow a [specific diet, e.g., "strict gluten-free diet due to celiac disease"] and wanted to ensure your restaurant and room service can accommodate these requirements. I've had amazing experiences at hotels that go the extra mile to make guests with dietary restrictions feel welcome and safe.

Could you please let me know:

- What gluten-free options are available in your restaurant
- Whether your kitchen staff is trained in allergen protocols
- If you can provide a mini-fridge in the room for my own food storage
- Room service options that would work for my dietary needs

I really appreciate hotels that understand how important this is for guests like me. Your attention to these details would make my stay so much more enjoyable and worry-free.

Looking forward to hearing from you and hopefully booking my stay!

Warmly,

[Your Name]
