

## Funny/light-hearted house booking cancellation email template

Subject: Oops! Booking Cancellation

Hey [Recipient Name],

Turns out my plans got flipped upside down, and I won't be able to stay at [Property Address] on [Booking Dates]. I hope you won't hold it against me!

Please cancel my booking and let me know if I need to do anything else. Hopefully, I can book again soon under better circumstances.

Cheers,

[Your Name]
