

Formal Complaint to Medical Board

Subject: Formal Complaint Against Dr. [Doctor's Full Name], License #[License Number]

Dear Medical Board Director,

I am writing to file a formal complaint against Dr. [Doctor's Full Name], who practices at [Medical Facility Name and Address]. On [specific date], I received treatment that fell significantly below acceptable medical standards and violated patient care protocols.

During my appointment for [medical concern], Dr. [Last Name] [describe specific incident: failed to conduct necessary examinations, misdiagnosed my condition despite clear symptoms, prescribed medication without reviewing my medical history and allergies, etc.]. As a direct result of this negligence, I [describe consequences: suffered complications, required emergency treatment, experienced prolonged pain, etc.].

I have documentation supporting this complaint, including medical records from [date], witness statements from [if applicable], and subsequent treatment records from [other healthcare provider] that contradict Dr. [Last Name]'s assessment.

This complaint is submitted after attempting to resolve the matter directly with [medical facility name], which [describe response or lack thereof]. I believe this incident represents a serious breach of medical ethics and patient safety standards that requires investigation by the Medical Board.

I request that you investigate this matter thoroughly and take appropriate disciplinary action to prevent other patients from experiencing similar harm. I am available to provide additional information, testimony, or documentation as needed for your investigation.

Please acknowledge receipt of this complaint and inform me of the investigation timeline and any actions taken.

Sincerely,

[Your Full Name]
