Dear [Consultant Hiring Manager],

I am writing to express my interest in the HR Consultant position with [Consulting Firm Name]. With a diverse background spanning multiple industries and HR disciplines, combined with my ability to quickly assess organizational needs and deliver tailored solutions, I am well-prepared to excel in a consulting environment.

Throughout my career, I have worked with organizations ranging from startups to Fortune 500 companies, providing expertise in areas including HR strategy development, performance management system design, compensation benchmarking, policy creation, and change management. I have successfully led projects that resulted in measurable improvements in employee engagement, operational efficiency, and legal compliance.

My consulting approach is collaborative and results-oriented.
