

Casual birthday party invitation

Subject: You're Invited to My Birthday Bash!

Hey [Friend's Name],

I'm throwing a birthday party this Saturday at my place, and I'd love for you to come celebrate with me. We'll have food, music, and lots of fun games to keep us going all night. It won't be the same without you!

The party kicks off at 7 PM, but feel free to drop by anytime. Bring your best energy and maybe your dancing shoes. No gifts needed—just your presence will make me happy.

Hope to see you there!

Cheers,

[Your Name]
