

## Humorous informal resignation

Subject: Signing Off

Hey [Manager Name],

I guess it's time for me to hang up my [Job Role] cape! My last day at [Company Name] will be [Last Working Day].

I'll miss the coffee breaks, the banter, and all the chaos—but mostly the amazing colleagues.

Wishing the team nothing but success, and I promise not to haunt anyone in the supply closet.

Cheers,

[Your Name]
