

Casual email asking for career insights

Subject: Quick Chat About Your Career Journey?

Hi [Recipient's Name],

I hope you're doing well! I've been really inspired by your work in [specific field/role], and I was wondering if you'd be open to having a quick chat sometime. I'm currently exploring career options and would love to hear about your experiences and any advice you might share.

No pressure at all—I completely understand if your schedule is tight. Even 20–30 minutes over coffee or a video call would be amazing. Please let me know if that works for you!

Thanks so much,

[Your Name]
