

Cover letter for entry-level insurance internship

Subject: Application for Insurance Internship

Dear [Hiring Manager's Name],

I am excited to apply for the Insurance Internship position at [Company Name]. As a recent graduate in Business Administration with coursework in risk management and finance, I am eager to gain hands-on experience in the insurance industry.

During my studies, I developed strong analytical and research skills while completing projects related to market analysis and client data interpretation. I am a quick learner with a strong work ethic, and I am particularly interested in how insurance firms use data analytics to assess and minimize risk.

I would be grateful for the chance to learn from your experienced team and contribute to your ongoing projects. Thank you for considering my application.

Best regards,

[Your Name]
