## **Internal Transfer Letter**

I am particularly interested in transferring to the [Target Department/Division] because of my strong passion for [Relevant Skills/Expertise in Target Department] and the innovative work that the team is engaged in. I am confident that my background in [Current Skills/Expertise] would allow me to make a positive impact in this new role.

I believe that this transfer would not only benefit my own career development but also contribute to the success of

coordinating with HR, and obtaining the necessary approvals. I am committed to ensuring a

seamless transition and am willing to work closely with both departments to ensure a smooth

handover of my current responsibilities.

I have attached my updated resume for your reference, and I am also available to discuss my
