

Funny and Lighthearted Promotion Appreciation Email

Subject: Promotion Accepted – Ready for the Big League!

Hi [Manager's First Name],

Thank you so much for promoting me to [New Position]. I promise to use my new powers responsibly (well, most of the time!). Jokes aside, I truly appreciate this recognition and am excited to start working in the new role.

Looking forward to tackling bigger challenges and maybe even getting a bigger coffee mug for all the long days ahead.

Thanks again,

[Your Name]
