

Heartfelt welcome directly to students

Subject: Welcome To Your Kindergarten Adventure

Dear Kindergarten Friends,

Welcome to our classroom! I am so happy that you will be part of our kindergarten family this year. We will have so much fun reading stories, painting pictures, singing songs, and learning new things together.

In our class, everyone is special, and we help each other every day. You will make new friends, discover exciting ideas, and learn how amazing you are.

I cannot wait to meet you and start this adventure. Get ready for a year full of fun, learning, and smiles!

Your Teacher,

[Teacher's Name]
