

Casual welcome to families who already know the teacher

Subject: Welcome Back!

Hi Families,

It's wonderful to see familiar faces returning this year! I'm thrilled to continue this journey with your child as they take the next step in their learning adventure.

We'll build on what we learned before and dive into new and exciting lessons. I'm grateful for your ongoing support and can't wait for another fun year together.

Warmly,

[Teacher's Name]
